Dear Yackandandah Community

10<sup>th</sup> October 2011

The Yackandandah Fire Brigade has been given approval by the CFA to purchase an ultra-light tanker. An ultra-light, often referred to as a 'slip-on' or 'pig', is a 4WD one tonne ute equipped with a 400 litre water tank, pump, foam unit, hoses, rake hoes, etc and is capable of carrying three fire fighters.

Ultra light tankers are useful in our district for many reasons, particularly:

- their ability to respond quickly; and,
- their ability to travel on most terrain, including paddocks and the bush tracks surrounding our town, terrain which is often inaccessible to larger vehicles.

In our case, the purchase offers a third and significant advantage – it allows us to re-locate our light tanker (it carries 1,200 litres) toward the southern end of our brigade area, massively improving our response in to the Bruarong, Tunnel Gap and Dederang Road communities.

Now it's over to you, our community. We need your help to raise just over \$10,000. Can you help? All we need is for most households in our community to contribute \$50.

It's been more than twelve years since we last sought financial support from the community and donations to the CFA are tax deductible.

In anticipation of your generous support, thank you.

Cameron McKern  
Captain
